

**In 2018 the Lord says,** this is a year to finish projects you have begun. It is a year in which to let go of things, not to begin them sayeth the Holy Ghost. It's also important that you take care of your health.

This is a year to release relationships and projects that have drained you as the Lord is bringing you to a time of restoration, sayeth the Lord. **God says it's a good time to study, write, and plan things for next year.** This shall be a time for getting your affairs in order so that I may bless you, sayeth the Lord.

Detach yourself from people who drain you and open a space for someone who is right for you now. This is not the time to be petty, nagging, or depressed. Something better is just around the corner.

You will be rewarded in surprising ways. Rather than trying to **"push,"** let outcomes emerge without force. How you see the world, your abilities, education skills and self-confidence will allow you both success and financial advancement. 2018 is the year in which you will act. Be authoritative and confident when placing your special skills in the open marketplace.

**A year of release and transformation, promotions or accumulation of possessions.** You will see a newness in your life, and many open doors of opportunities for you! You will also see improvement in your financial situation. You will need to exercise practicality throughout the year. Take advantage of the many opportunities that will be available to you.

Rid yourself of those barriers that hold you back. **With your emotional life, let go of the old and start the new.** Be positive, cut your losses, if any, and look forward not backward.

Do not start anything new; wait to get married or move. Anything started between January and September is on the old cycle. Wait until at least September before making major decisions. This year will be dramatic, disruptive, emotional, but offers great abundance. You will be rewarded in surprising ways. Rather than trying to "**push**," let outcomes emerge without force. **FORGIVE, saith the Lord.**
