

In 2018 the Lord says, this is the year to nurture the plans you made about 3 years ago and to watch your projects grow. Rewards will be great, provided you attend to details and keep your nose to the grindstone.

This year you shall establish a great relationship and family problems shall be resolved, also great healing shall begin to flow sayeth the Holy Ghost.

There may be some endings to relationships this year which will be problematic to you, listen to the Holy Spirit. DON'T allow pressures to build up within you, otherwise your health may suffer. **WATCH YOUR DIET; GET PLENTY OF EXERCISE, AND RESTFUL SLEEP.**

In 2018 the Lord says, that I shall bring FAVOR as I build thee for favorable circumstances are brewing behind the scenes. Business, career, and life work are important. God says, put your best foot forward and avoid complaining at work or things concerning ministry. At times you may feel boxed-in or restricted.

The Lord says to avoid any speculative investments or career changes this year. This shall be a time to step back and look at your life sayeth The Lord of Hosts. **God says that you shall work on self-discipline to improve your health and to strive toward getting more organized in your life, saith the Lord of Blessings.**

Avoid confrontations at all costs. Think carefully before you criticize others or you may end up with a loss. Listen to the advice of those who know more than you do and release any old habits.

A year of hard work, discipline, and opportunities. **This is a material-building year for you.** Dealing with banks or financial institutions, real estate, property, and long-term contracts are favoured. Expect 2018 to be a year of the sudden, unexpected, and unusual, saith God.
